

style guide

*just ask...*

i hope this guide helps as you plan for your session, but i am always here for fit checks - just text me your ideas!

and truly, you guys make the photos, not your outfits. don't overthink it!

what's your vibe?

warm neutrals?

classic?

romantic?

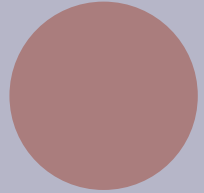

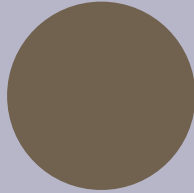

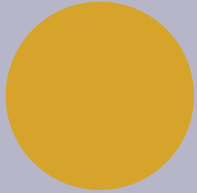

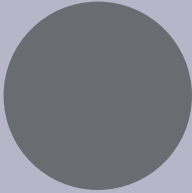

# ready to play

if your session includes kiddos, come ready to have fun! i am always up for capturing your kiddos playing. fun dresses, dipping toes in the water, building sandcastles... the sky is the limit!

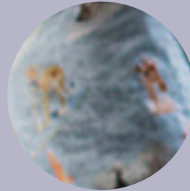

# outfit tips *choose a 'hero'*

pick one outfit that has a print and build your other pieces around colors from that print. when in doubt, choose neutrals or blush tones.

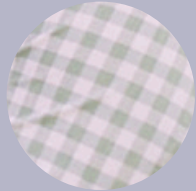

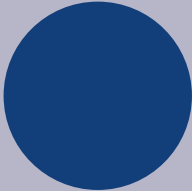

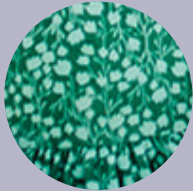

# outfit tips *play with patterns*

have fun! dress in a way that represents YOUR family! the photos are going to work because they are authentic.

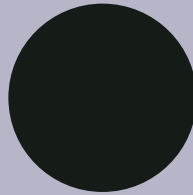

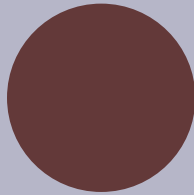

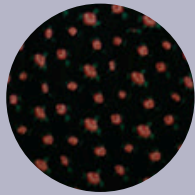

# outfit tips *go bright!*

neutrals can be beautiful, but bright bold colors work too! what speaks most to you?

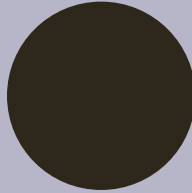

# outfit tips *moody jewels*

neutrals can be beautiful, but bright bold colors work too! what speaks most to you?

# outfit tips *classic neutrals*

neutrals can be beautiful, but bright bold colors work too! what speaks most to you?

# when in doubt...

wear what makes you feel good. your outfits won't make or break your shoot. having fun and coming relaxed is what will make for beautiful images and memories to treasure for years to come!
